

20 Essential Items for Every Room in a 20-Something's First Place

Moving into your first place is a major milestone, and it can be daunting to figure out what you need to make it feel like home. That's why we've put together this list of 20 essential items for every room in your new apartment or house.

Living Room

1. **Comfortable couch:** This is the centerpiece of your living room, so make sure it's comfortable and stylish. Choose a couch that's big enough to seat all of your friends, but not so big that it overwhelms the space.
2. **Coffee table:** A coffee table is a great place to put down drinks, snacks, and magazines. It can also be used as a footrest or a place to display decorative items.
3. **Area rug:** An area rug can help to define the seating area in your living room and add a touch of color and pattern. Choose a rug that's the right size for your space and that complements your furniture.
4. **Curtains or blinds:** Curtains or blinds can help to block out light and add privacy to your living room. Choose curtains or blinds that match the style of your décor and that provide the amount of light control you need.
5. **Lamps:** Lamps provide additional lighting in your living room and can create a cozy atmosphere. Choose lamps that have different heights and styles to create a layered lighting effect.

Bedroom

1. **Comfortable bed:** Your bed is the most important piece of furniture in your bedroom, so make sure it's comfortable and supportive. Choose a mattress that's the right firmness for you and that provides good support for your back and neck.
2. **Headboard:** A headboard can add a touch of style to your bedroom and make your bed look more complete. Choose a headboard that matches the style of your bed and that's the right size for your space.
3. **Nightstands:** Nightstands are a great place to put down your phone, book, and other essentials before you go to bed. Choose nightstands that are the right height for your bed and that match the style of your décor.
4. **Dresser:** A dresser is a great place to store your clothes and other belongings. Choose a dresser that's the right size for your space and that matches the style of your décor.
5. **Mirror:** A mirror is a great way to check your appearance and add light to your bedroom. Choose a mirror that's the right size and style for your space.

Kitchen

1. **Refrigerator:** A refrigerator is essential for storing food and drinks. Choose a refrigerator that's the right size for your space and that has the features you need, such as a freezer and an ice maker.
2. **Stove:** A stove is essential for cooking meals. Choose a stove that has the features you need, such as a gas or electric burner and an oven.

3. **Microwave:** A microwave is a great way to heat up food quickly and easily. Choose a microwave that's the right size for your space and that has the features you need, such as a defrost setting and a timer.
4. **Dishwasher:** A dishwasher is a great way to save time and energy on cleaning dishes. Choose a dishwasher that's the right size for your space and that has the features you need, such as a heated dry cycle and a sanitize setting.
5. **Kitchen table and chairs:** A kitchen table and chairs are a great place to eat meals, work on projects, and socialize. Choose a table and chairs that are the right size for your space and that match the style of your décor.

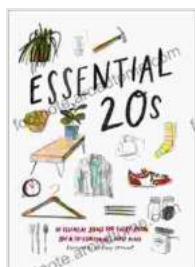

Bathroom

1. **Toilet:** A toilet is essential for any bathroom. Choose a toilet that's the right size and style for your space.
2. **Sink:** A sink is essential for washing your hands and brushing your teeth. Choose a sink that's the right size and style for your space.
3. **Shower or bathtub:** A shower or bathtub is essential for taking a shower or bath. Choose a shower or bathtub that's the right size and style for your space.
4. **Mirror:** A mirror is a great way to check your appearance and add light to your bathroom. Choose a mirror that's the right size and style for your space.
5. **Bathroom storage:** Bathroom storage is essential for keeping your bathroom organized and clutter-free. Choose bathroom storage that's the right size and style for your space.

Office

1. **Desk:** A desk is essential for working or studying. Choose a desk that's the right size for your space and that has the features you need, such as a built-in hutch or a filing cabinet.
2. **Chair:** A chair is essential for sitting at your desk. Choose a chair that's comfortable and supportive, and that matches the style of your décor.
3. **Filing cabinet:** A filing cabinet is a great way to store important documents and papers. Choose a filing cabinet that's the right size for your space and that matches the style of your décor.
4. **Bookcase:** A bookcase is a great way to store books and other belongings. Choose a bookcase that's the right size for your space and that matches the style of your décor.
5. **Artwork:** Artwork can add a touch of personality and style to your office. Choose artwork that inspires you or that matches the style of your décor.

Moving into your first place is an exciting time, but it can also be stressful. By planning ahead and purchasing the essential items you need, you can make your new place feel like home in no time.
