

50 Qur'anic Comforts for Mums: A Guide for Finding Calm and Contentment on the Journey of Motherhood

Motherhood is a beautiful and rewarding experience, but it can also be challenging at times. Muslim mothers may find comfort and guidance in the Qur'an, which offers many verses that provide reassurance and support. This book, 50 Qur'anic Comforts for Mums, is a collection of these verses, along with reflections and practical advice from the author, Confucius.

The book is divided into five sections, each of which focuses on a different aspect of motherhood. The first section, "The Blessings of Motherhood," reminds mothers of the great rewards that come with raising children. The second section, "The Challenges of Motherhood," offers guidance and support for mothers who are facing difficult times. The third section, "The Joys of Motherhood," celebrates the many joys that come with being a mother. The fourth section, "The Wisdom of Motherhood," offers advice and insights from mothers who have been through it all. The fifth section, "The Hope of Motherhood," encourages mothers to look to the future with hope and optimism.
