By Sassy Cindy Ward

Baby Loves Shapes is a lift-the-flap book that introduces babies to different shapes. The book is written by Sassy Cindy Ward and is perfect for babies ages 0-3.

The book has 10 flaps, each of which reveals a different shape. The shapes are simple and easy for babies to identify, and the flaps are sturdy enough to withstand repeated use.

The book also includes a mirror on the last page, which babies will love to look at. The mirror is a great way for babies to practice their self-recognition skills.

Baby Loves Shapes is a fun and educational book that will help your baby learn about shapes. The book is also a great way for you to bond with your baby and spend some quality time together.

Here are some of the benefits of Baby Loves Shapes:

- Introduces babies to different shapes
- Helps babies develop their fine motor skills
- Promotes language development
- Encourages parent-child interaction

If you are looking for a fun and educational book for your baby, then Baby Loves Shapes is the perfect choice.
