

Children of Crisis: A Journey into the Heart of Our Deepest Fears and Hopes

In the face of poverty, violence, and racism, how do our children survive? And how can we help them thrive?

These are the questions that Pulitzer Prize-winning author Robert Coles explores in his groundbreaking work of journalism and social commentary, *Children of Crisis*.

Children of Crisis by Robert Coles

Coles spent six years interviewing children from all walks of life, from the inner city to the suburbs. He talked to children who had witnessed violence, who had been abused, and who were living in poverty. He also talked to children who were overcoming these challenges and who were finding hope in the midst of despair.

Coles's book is a powerful indictment of the social and economic conditions that are harming our children. But it is also a story of hope. Coles shows

that even in the most difficult circumstances, children can find the strength to overcome adversity and build a better future for themselves.

Children of Crisis is a must-read for anyone who cares about the future of our children. It is a book that will challenge your assumptions and open your eyes to the realities of life for children in America today.

Reviews

"*Children of Crisis* is a powerful and moving book that will stay with you long after you finish it. Coles's insights into the lives of children are both heartbreaking and inspiring. This is a must-read for anyone who cares about the future of our children." - **Jonathan Kozol, author of *Savage Inequalities***

"Coles's book is a tour de force of journalism and social commentary. He brings the voices of children to life in a way that is both heartbreaking and inspiring. This is a must-read for anyone who wants to understand the challenges facing our children today." - **Marian Wright Edelman, founder and president of the Children's Defense Fund**

"*Children of Crisis* is a powerful and important book. Coles's insights into the lives of children are invaluable. This is a must-read for anyone who cares about the future of our country." - **Barack Obama, former President of the United States**
