

Empowered Evangelicals: The Political Movement That Changed America

By Rich Nathan

In *Empowered Evangelicals*, Rich Nathan argues that the evangelical movement has become a powerful force in shaping the nation's political

landscape. Drawing on extensive research, Nathan shows how evangelicals have mobilized their members, developed their own media outlets, and built alliances with conservative politicians. As a result, evangelicals have been able to influence elections, shape public policy, and promote their own values.
