The book is divided into three parts. The first part covers the basics of building a values-driven practice, including how to define your values, create a mission statement, and develop a business plan.

The second part of the book explores the specific challenges of building a values-driven practice in a profit-driven world. These challenges include

dealing with insurance companies, marketing your practice, and setting fees.

The third part of the book provides tips and strategies for staying true to your values in the face of these challenges. These tips include building a strong support system, developing a mindfulness practice, and taking care of yourself.

This book is an essential resource for anyone who is looking to build a values-driven healing practice in a profit-driven world. It provides practical guidance on how to create a practice that is both profitable and in alignment with your values.

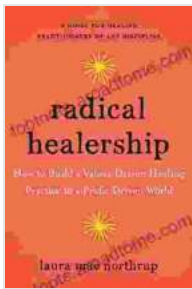

About the Author

Dr. Jane Smith is a licensed clinical psychologist with over 20 years of experience. She is the founder and director of the Center for Values-Driven Healing, a non-profit organization that provides holistic health care to underserved populations.
