The One Way Translation Tool is a unique feature that allows you to translate words and phrases from English to over 100 other languages. Simply type in the word or phrase you want to translate, select the target language, and click the "Translate" button. The One Way Translation Tool

will then provide you with a translation of the word or phrase, along with a pronunciation guide and other helpful information.

The One Way Translation Tool is a great way to learn new words and phrases in other languages. It can also be used to help with homework, research, or travel. And because it's available online and in the Collins School Dictionary app, you can access it anytime, anywhere.

### **Here are some of the benefits of using the One Way Translation Tool:**

- Translate words and phrases from English to over 100 other languages
- Get clear and concise translations
- Hear how the word or phrase is pronounced
- Get additional information, such as grammar tips and usage notes
- Access the One Way Translation Tool online and in the Collins School Dictionary app

If you're a student of any age, a teacher, or anyone else who wants to get the most out of their Collins dictionary, then the One Way Translation Tool is a must-have.
