The Early Years in Three Oaks

Or Warren, a skilled blacksmith with a keen eye for opportunity, established Or Warren & Son in 1901. Initially, the company focused on manufacturing horse-drawn buggies and farm equipment, catering to the needs of the local agricultural community. However, with the dawn of the automobile industry and the growing demand for gasoline, Warren's business acumen led him to shift his focus towards oil exploration.

In 1914, Warren & Son struck oil in a nearby field, marking the beginning of a new era for the company and Three Oaks. The discovery ignited an oil boom in the region, transforming the once-quiet town into a bustling hub of activity. Warren & Son became a major player in the local oil industry, drilling wells and establishing a network of pipelines and storage facilities.

Expansion Westward

As Or Warren & Son's reputation grew, so did their ambitions. In the 1920s, the company expanded its operations westward, venturing into the oil-rich states of Texas, Oklahoma, and Kansas. Warren & Son acquired oil leases, established drilling rigs, and built refineries, becoming a major force in the western oil industry.

The company's success was fueled by Or Warren's unwavering determination and his son, Charles's, innovative engineering skills. They embraced new technologies, implemented efficient production methods, and maintained a relentless focus on quality. As a result, Or Warren & Son's oil operations in the western states flourished, contributing significantly to the region's economic growth and prosperity.

The Rise of a Fortune 500 Empire

Over the decades, Or Warren & Son continued to grow and evolve, establishing itself as a major player in the global energy industry. The company expanded its operations into other areas, including petrochemicals, natural gas, and renewable energy. By the mid-20th century, Or Warren & Son had transformed into a Fortune 500 conglomerate, with operations spanning multiple countries.

Throughout their journey, Or Warren & Son remained deeply connected to their roots in Three Oaks, Michigan. The company maintained a strong presence in the town, supporting local businesses, providing employment opportunities, and contributing to community development. The legacy of

Or Warren & Son continues to resonate in Three Oaks, where the company's former headquarters now serves as a museum, preserving the story of the oil dynasty that shaped the town's history.

A Legacy of Innovation, Entrepreneurship, and Community Spirit

The story of Or Warren & Son is a testament to the power of innovation, entrepreneurship, and community spirit. From its humble beginnings in a small Michigan town to its rise as a global energy giant, the company's journey has left an indelible mark on the oil industry and the communities it has touched.

The book "Or Warren & Son: Three Oaks Michigan and Oil in Three Western States" chronicles this extraordinary saga in rich detail. Through meticulous research and captivating storytelling, the book offers an immersive account of the company's groundbreaking achievements, its impact on the oil industry, and the enduring legacy it has left behind.
