What is Collins Easy Learning KS2?

Collins Easy Learning KS2 is a series of books that cover the core subjects taught in Key Stage 2 (ages 7-11) of the English National Curriculum.

These subjects include:

- English
- Math
- Science

Each book is packed with engaging activities, practice exercises, and clear explanations that make learning fun and effective.

What are the benefits of using Collins Easy Learning KS2?

There are many benefits to using Collins Easy Learning KS2, including:

- **It provides a solid foundation in core subjects.** The books cover all the essential topics that your child will need to know for KS2, giving them a strong foundation for their future learning.
- **It makes learning fun and engaging.** The activities and exercises in the books are designed to be enjoyable and motivating for children. This helps them to stay engaged in their learning and makes the process more enjoyable.
- **It builds confidence.** As children complete the activities and exercises in the books, they will gain a sense of accomplishment and confidence in their abilities. This will help them to feel more prepared for school and to approach their learning with a positive attitude.
- **It supports parents.** The books come with clear and concise instructions for parents, so you can be sure that you are helping your child in the best way possible. There are also plenty of tips and advice to help you support your child's learning at home.

How can I use Collins Easy Learning KS2?

There are many ways to use Collins Easy Learning KS2, including:

- **As a supplement to your child's schoolwork.** The books can be used to reinforce what your child is learning in school, or to provide extra practice in areas where they need it.

- **As a homeschooling resource.** The books can be used to teach your child the core subjects at home, at your own pace.
- **As a fun and educational activity.** The activities and exercises in the books can be used as a way to keep your child entertained and learning during the holidays or on weekends.

Collins Easy Learning KS2 is an invaluable resource for parents who want to prepare their child for school. The books are packed with engaging activities, practice exercises, and clear explanations that make learning fun and effective. With Collins Easy Learning KS2, you can be sure that your child is getting the best possible start to their school journey.
