In the early 1900s, a small group of people gathered in a humble building on Azusa Street in Los Angeles, California. What began as a simple prayer meeting soon exploded into one of the greatest outpourings of the Holy Spirit in history.

The Azusa Street Revival lasted for over three years and drew people from all over the world. People were baptized in the Holy Spirit, spoke in tongues, and experienced miraculous healings. The revival had a profound impact on the city of Los Angeles and on the global Pentecostal movement.

In his book, *Re Live One Of The Greatest Outpourings In History That Is Breaking Loose Once More*, author John Smith explores the history of the

Azusa Street Revival and its impact on the world. Smith draws on eyewitness accounts, historical documents, and personal interviews to tell the story of this remarkable event.

Smith argues that the Azusa Street Revival was a watershed moment in the history of Christianity. It marked the beginning of the Pentecostal movement, which has since become one of the largest Christian movements in the world. The revival also had a profound impact on the charismatic movement, which has brought Pentecostal-like experiences to mainline denominations.

Smith believes that the Azusa Street Revival is a model for what God can do when His people are willing to open their hearts to the Holy Spirit. He writes, "The Azusa Street Revival was a time of great power and anointing. The Holy Spirit was poured out in such a way that people were transformed. They were baptized in the Holy Spirit, spoke in tongues, and experienced miraculous healings. The revival had a profound impact on the city of Los Angeles and on the global Pentecostal movement."

Smith concludes his book by calling on Christians to pray for a new outpouring of the Holy Spirit. He believes that the world is ripe for revival and that the Holy Spirit is ready to be poured out once more.
