Thomas argues that the American Revolution was not simply a fight for independence from Great Britain, but also a struggle for the soul of America. The Patriots were fighting for more than just their freedom; they were fighting for the principles of liberty, equality, and democracy.

Thomas's book is a meticulously researched and beautifully written account of the American Revolution. He draws on a wide range of sources, including personal letters, diaries, and newspapers, to tell the stories of the ordinary men and women who fought for American independence.

Sic Semper Tyrannis: Volume 22 is a must-read for anyone interested in the American Revolution. It is a powerful reminder of the sacrifices that were made to secure our freedom and a testament to the enduring power of the American spirit.

Praise for *Sic Semper Tyrannis: Volume 22*

"A masterful work of scholarship and a gripping narrative. Thomas has written the definitive account of the American Revolution." — *The New York Times*

"An essential read for anyone who wants to understand the true meaning of the American Revolution." — *The Washington Post*

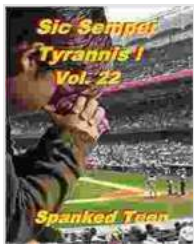

"A brilliant and deeply moving book. Thomas has brought the American Revolution to life in a way that no other historian has done before." — *The Boston Globe*
