

# The White House Doctor: Inside the West Wing with the President's Personal Physician

Dr. Ronny Jackson has been the personal physician to some of the most powerful men in the world, including George W. Bush and Barack Obama. In his new book, *The White House Doctor*, Jackson takes readers behind the scenes of the White House and into the lives of the presidents and their families.

Jackson's book is a fascinating look at the unique challenges and triumphs of life in the White House. He shares stories about everything from treating the president's colds to performing emergency surgery on a Secret Service agent. Jackson also provides a glimpse into the personal lives of the presidents, and he reveals the surprising ways that they cope with the stresses of their jobs.
