## **Porto, Portugal - November 23-25, 2024**

The Third International Conference on Information and Communication Technology in Linguistics (ICITL 2024) will be held in Porto, Portugal from November 23-25, 2024. The conference brings together scholars and practitioners from a variety of fields including linguistics, computer science, and information technology to discuss the latest research on the use of information and communication technology in linguistics.

ICITL 2024 will feature a variety of keynote speakers, invited speakers, and contributed papers. The conference will also include a number of workshops and tutorials on topics such as natural language processing, machine translation, and computational linguistics.

The conference is open to all researchers and practitioners interested in the use of information and communication technology in linguistics. We encourage you to submit a proposal for a paper or presentation.

### **Important Dates**

- **Paper submission deadline:** June 1, 2024
- **Notification of acceptance:** July 15, 2024
- **Camera-ready deadline:** August 15, 2024
- **Conference dates:** November 23-25, 2024

### **Submission Guidelines**

Papers should be submitted electronically via the conference website. Papers should be no more than 8 pages in length, including references. Papers should be formatted according to the ICITL 2024 style guidelines.

## Topics of Interest

Topics of interest for ICITL 2024 include, but are not limited to:

- Natural language processing
- Machine translation
- Computational linguistics
- Information retrieval
- Text mining
- Speech processing
- Language learning and teaching
- Language documentation and preservation
- Digital humanities

## Contact Information

For more information, please contact the conference organizers at [icitl2024@gmail.com](mailto:icitl2024@gmail.com).
