That's why we've put together this book, *Wisdom From Parents Who Did It*. It's packed with advice from real-life moms and dads who have been there and done it. You'll find tips on everything from breastfeeding to potty training to dealing with teenagers.

Whether you're a first-time parent or you've been parenting for years, you're sure to find something helpful in this book. So sit back, relax, and let the wisdom of other parents guide you on your parenting journey.

What's Inside?

Wisdom From Parents Who Did It is divided into four sections:

1. **The Newborn Years:** This section covers everything from breastfeeding to sleep training to dealing with colic.
2. **The Toddler Years:** This section offers advice on potty training, tantrums, and picky eating.
3. **The School Years:** This section provides tips on homework, extracurricular activities, and social media.
4. **The Teen Years:** This section tackles the challenges of adolescence, including puberty, dating, and peer pressure.

Each section is filled with practical advice from parents who have been there and done it. You'll find tips on how to:

- Bond with your newborn
- Get your toddler to sleep through the night
- Deal with a picky eater
- Help your child succeed in school
- Navigate the challenges of adolescence

And much more!

What Parents Are Saying

"This book is a lifesaver! I'm a first-time parent and I was feeling so overwhelmed. But this book has given me so much confidence and

reassurance. I know I can always turn to it for advice."

- Jessica, mother of a 3-month-old

"I've been parenting for years, but I still found this book helpful. It's full of practical tips and advice that I can use every day. I highly recommend it!"

- David, father of two teenagers
